EDITORIAL

You get to a certain stage in life when you realise there's no point in trying to reinvent the wheel. People like a hot girl dressed as a kinky nurse, and so that's what you give them. Our very own Dani had a giggle squeezing into her nurse outfit this issue but, once she was in it, she turned into a one woman sex machine. Suffice to say we had to hide our hard-ons. Well, there's no need for you to do the same – let yourself free as you enjoy this issue. We think it's a cracker, and if you disagree, let us know. Of course, you'd be very, very wrong...

Dear Club,

This is a bit out of season now, but it's bloody rude, so I thought I'd send it to you anyhow. I live out in the countryside and every winter I end up getting cut off from civilisation, either due to flooding or snowdrifts.

This November was no exception, my boyfriend Neil and a couple of our friends had planned to hold a Guy Fawkes party at his house but all that rain threatened to make our party quite literally a washout.

I've been fucking Neil for about six months. He has a lovely fat cock which isn't that long, but really satisfies me because its girth stretches my holes to their limit. We're both pretty adventurous when it comes to shagging and enjoy experimenting with any new ideas that spring to our filthy minds.

I mention this because our friends, Viv and Mike, have long been on our list of fantasies. Mike is tall, athletic and makes my cunt juice up just by smiling at me, while his girlfriend

has a 50's hourglass figure with tits like missiles, and loves to wear split pencil skirts and high heels. Neil and I had talked about steering the Guy Fawkes do around to a swap session but neither of us were exactly sure how to sort it.

The rain had slowed to a drizzle as we all trudged out into the field behind the house to light the fire. Fortified by my lethally alcoholic punch, as the lads did caveman-makes-fire impersonations, I decided to test the water with Viv about shagging the arse off each other's partner.

"Funny you should mention it," said Viv pointing those gorgeous knockers in my direction, "but Mike fancies the arse off you, and I think you're pretty cute myself." I started to wish I had worn something a bit more sexy than jeans and a blouse under my coat. Especially so, because the voluptuous Viv, the nutter, was still wearing stilettos in a muddy field.

The boys finally got the fire going while Viv and I continued to get well and truly pissed. Neil set off the fireworks but, to be honest, I was thinking about another kind of bang altogether. When Mike came over and slid his arm around my waist in the darkness, I knew that Viv must have 'had a word'.

Feeling instantly horny, I turned and kissed him on the mouth. He responded by pulling me to him, his bulging cock pressing against the crotch of my jeans. We snogged passionately and his hands began to push up my blouse until they were expertly fondling my boobs. I undid his flies and squeezed his semi-stiff prick, relishing the sensation of it growing in my hand.

What the fuck would Neil be thinking when he saw I was putting our fantasy into operation? As it turned out, I needn't have worried. Glancing round, I saw Viv, in the glow from the fire, with her tight skirt around her waist and my boyfriend frenziedly groping in between her stockings thighs.

"Ah, fuck it!" I said loudly to Mike and, holding onto his arm, I took off my shoes, unzipped my jeans and removed them, right there in the middle of the field. The heat from the fire was easily enough to stop the cold and the feel of the wet, muddy soil between my toes was strangely exciting. Mike was just staring at me as though I was mad but Viv let out a whoop, ran over and grabbed me around the waist, her bare cunt grinding against my thigh as I lost my balance and we both tumbled to the ground.

Roaring with laughter we rolled in the mud, pinning each other down in the goo and smearing sticky clumps of the gunge all over each other's bodies. Totally lost in our silly game, we slid against each other, spreading the muck into every crevice. Viv, still wearing her corsetted top, rubbed the sludge all over my tits, tweaking the nipples as she did so, while I took huge handfuls of the stuff and slapped it between her legs, caking her cunt in the sodden soil.

It was like some primeval ritual, the mud working us up into a weird sexual frenzy. I remember climaxing as Viv's slippery fingers plunged between my buttocks and probed my arsehole while I pulled her splattered tits against my face and chewed her rigid teats. Fuck! This was dirty, in more ways than one, and by the time the lads had stripped off and joined us on the ground, I would have done anything to anybody.

RYAN RAVE!

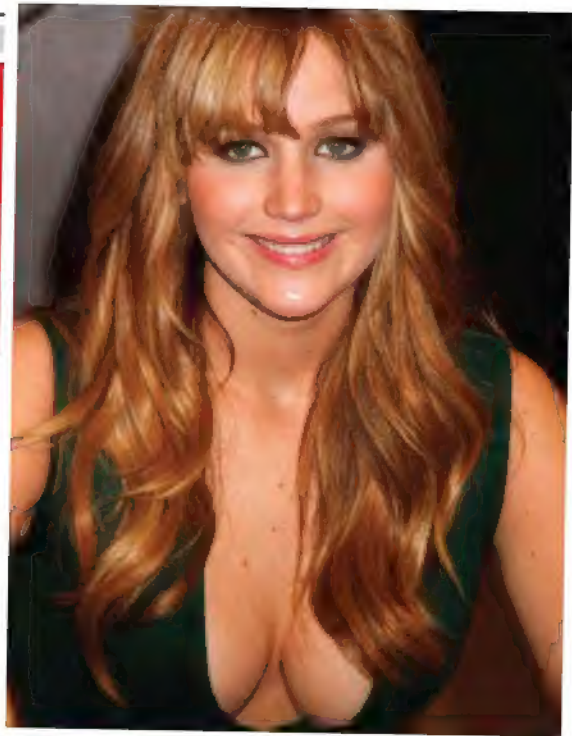

Dear Club,

Wow, where the fuck has Ryan been hiding? I'm generally someone who is more into British girls, but the reason I buy *Club* is for the cream of American girls – and this girl really is the cream. She had me stroking myself off like crazy, with that tight body and beautiful face. I always like it when catwalk

quality girls decided to show us their twats. Can we have more?

James, Dublin

Her debut went down a storm, James, so it's only right that we've lined up more shots of the lovely Ryan. They're heading this way very, very soon...

I AM THE J-LAW!

Dear Club,

So, I've read all about these celebrity photos that have leaked or been hacked, and I don't want to get into trouble by downloading them on my computer. Any chance you can publish them? The Jennifer Lawrence ones especially! Sean, North London

Sorry, Sean, we can't help you there. They're a bit of a legal minefield and the Editor doesn't want to end up in front of Judge Pickles (topical) for sharing a blurry selfie of an alleged celeb snatch. You'll just have to make do with dear old Globe Theatre, I'm afraid.

As Viv assumed the 69 position and entered my filthy gash with her tongue, Mike's cock appeared over my face before disappearing up to his balls inside his girlfriend's mud-lubricated arse. I grabbed his bumcheeks and sucked one of his heavy bollocks into my mouth, slurping like a demented whore as Viv's tongue poked in and out of my twat faster and faster.

I came again just in time for Mike to drag his dick from Viv's arse and spray a load of lovely hot spunk directly in my face as Viv got the same from Neil. It was so fucking wild with limbs, tongues, tits, pussies and cocks squirming against each other on the sodden earth. The fire added to the prehistoric nature of our rampant fuckfest, casting strange shadows over our bodies as we sucked and screwed ourselves completely senseless.

It was a bit like coming out of a trance as we untangled our wet, sludge-covered bodies and staggered back inside the house. Everyone seemed a bit embarrassed at what had happened but after a hot shower and another drink we laughed at our earlier craziness. This was one bonfire display that had had little to do with boring old fireworks!

Denise, Evesham. ♣

BAILEY ♣

Nothing old about her...

It has been a while since Bailey last looked splendid on these pages. Why the hiatus?

"I haven't done a lot of modelling, to be honest!" laughs Bailey. "Photographers like you to be punctual, well turned out and, I can be honest, I wasn't very professional. I'm a bit of a party girl, lots of drink, lots of sex, lots of late nights. I don't do punctual very well, and photographers don't like me turning up looking like I'd been to a high class orgy. Which I had been."

So what happened here?

"Oh, I'll always be professional for Scott! His photos make me look so sexy that they're a horny experience all of their own – no need for stimulants or a bunch of horny people all over me!" ♣

club's ROUGH GUIDE

Two major conundrums for Matt Loxham to address this week – how to pick the winner in a hugely competitive horse race and how to unravel the mysteries of the Major League Baseball fixture list. Unsurprisingly, he achieves neither...

Prix de l'Arc de Triomphe

**Longchamp Racecourse,
Paris – October 5th**

For keen punters and racing enthusiasts around the world the first Sunday in October can mean only one thing – it's Arc day! Thanks mostly to a recent hike in the prize money purse to five million Euros, this is a race going from strength to strength. The Arc is now the world's richest turf race, making it an even bigger draw for owners of the finest horses on the planet. Run over one and a half miles and open to thoroughbreds of both sexes aged three and above, at its best this Gallic gallop represents a coming together of the season's most talented and successful horses, and this year's field has them in abundance.

French fancy Treve, which apparently translates as 'truce'

or 'respite', prevailed last year to cap an unbeaten three year old campaign that saw her win a series of top-class events across the channel, and she's back to defend her title. Despite showing no respite to her opponents last season, Treve has been finding life as a four year old slightly more difficult, however, getting edged out in a couple of races – including the Prince of Wales Stakes at Royal Ascot, her first run in England – and being sidelined over the summer with a pulled muscle. As such the 2013 'Horse of the Year' is far from a shoo-in to repeat her Arc feats of last October, and she's up against rivals who can and will exploit any weaknesses.

Taghrooda, which Google tells me refers to a form of poetry, is also the name of a supremely talented British trained three year old filly (a term used in racing to describe a female horse aged under five) who won the British Oaks impressively before following up in the King George,

IV and Queen Elizabeth Stakes at Royal Ascot, the latter a top class event commonly seen as Britain's most prestigious weight-for-age encounter. On this form Taghrooda would be a huge favourite for the Arc, but in August she was surprisingly beaten in the Yorkshire Oaks by Tapestry, a decent horse in her own right but an opponent that nevertheless should've been comfortably despatched. The punter's conundrum here seemingly surrounds which Taghrooda turns up at Longchamp – the one who inspires poetry or the one who inspires the word 'bollocks' scrawled on a torn-up betting-slip on the bookies' floor.

Despite the fact that fillies have won the last three runnings, males overall have by far the best record in the Arc, with three year-old colts – a term used to refer to uncastrated bloke nags aged 4 and under – particularly successful (46 wins from 92 runnings). Bidding to improve the stats for these poor bollockless animals further are Sea the Moon, a German contender who recently hacked up by eleven lengths in the German Derby, and Australia, a British-bred colt with wins in both the Epsom Derby and the Irish Derby to his name this season.

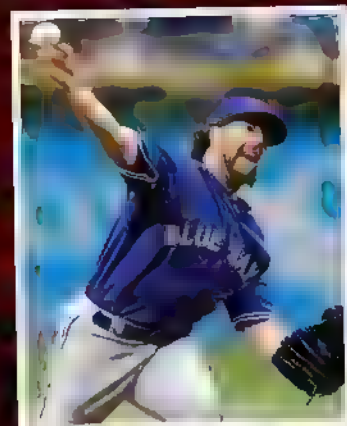

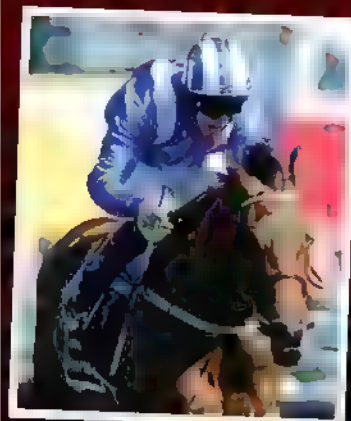

A genuinely fascinating race awaits equine enthusiasts across the globe, with class aplenty and any number of potential winners, not to mention a fierce age and gender war built in

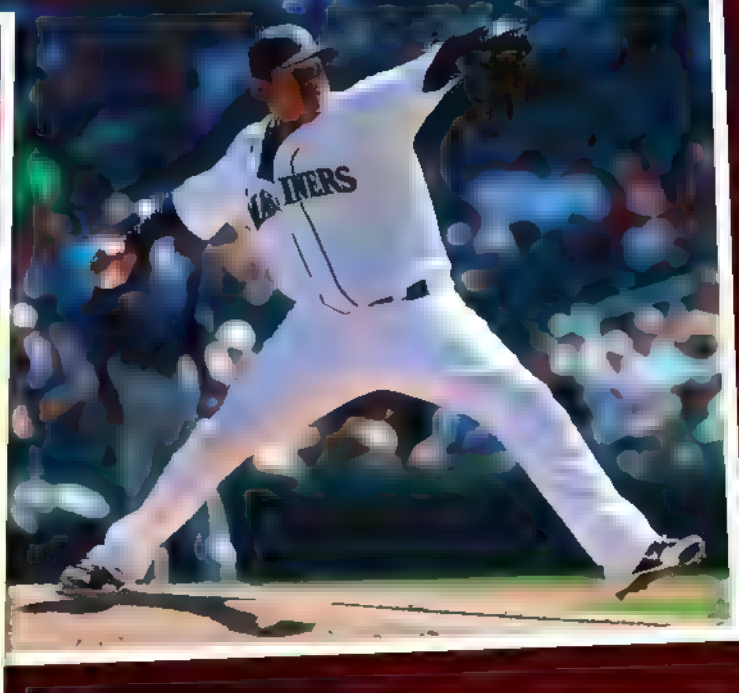

for good measure. The only downside, perhaps, is that the field represents a tricky puzzle to negotiate for prospective punters. Then again, isn't that generally the case? Me, I'll just go for the one who has the biggest shit in the parade ring before the race. Do Channel 4 cover that kind of thing?

Major League Baseball Regular Season Concludes

September 28th

Baseball players must be amongst the busiest people in the sporting world, racking up more frequent flyer miles and hotel loyalty points than they ever could home runs and strike outs. The regular Major League season comprises 162 games over six months with teams such as the Seattle Mariners clocking

from Canada, the Toronto Blue Jays), divided into the American League and the National League, each of which comprises 15 teams divided into three pools of five – East, West and Central. In what might initially be seen as a complex structure for people who don't really understand the game or anything a bit difficult, such as me, fixtures are played within pools and also across the other pools and leagues, with each team designated a 'natural rival' against whom they play four times. With that not explained very well, let's move swiftly on to the 2014 World Series big hitters and shitters...

After a poor 2013 season that saw them limp to a very ordinary record of 78 losses

who ran away with the division last season, recently confirming present superiority by subjecting them to four straight defeats. To make this feat even more impressive, Oakland themselves are far from out of the playoff picture, sitting second in the West with the well travelled Seattle Mariners an outside chance in third.

In the American League East, the Baltimore Orioles look likely to progress at the expense of the New York Yankees, and at American League Central there's a regal tussle going on

League West, the Los Angeles Dodgers, after missing out on the

over 51,000 miles of travelling across those numerous and distant road trips; roughly the equivalent of circling the earth twice. If a team is successful and makes the postseason playoffs before progressing to the big World Series finale, then you can add anything up to another twenty matches and even more arduous away days.

The ridiculous amount of 'ball games' means devoted fans with lives have their work cut out to follow their favourite team with any kind of consistency, but the collective attendance for a Major League Baseball season of around the 74 million mark suggests they're doing their damndest. Indeed, this astronomical figure of bums on seats represents the highest of any sports championship in the world barring, of course, the Professional Kabaddi League.

Major League Baseball is as much a logistical phenomenon as a sporting spectacle, and such is its scale and coverage it naturally forms the fabric of American daily life. 30 teams participate (29 from all over the US and one

and 84 wins, the Los Angeles Angels of Anaheim are this year's breakthrough outfit, and much of their success is down to the form of their brilliantly named star centre fielder Mike Trout. The Angels have even managed to overthrow American League West rivals the Oakland Athletics,

"An astronomical figure of bums on seats represents the highest of any sports championship in the world. Except Kabaddi"

between the Kansas City Royals and the Detroit Tigers, the latter boasting legendary batter Miguel Cabrera hitting form at perhaps just the right time – ankle-injury permitting. Yes, I do sometimes know what the fuck I'm going on about...

On the other side of the division in the National League, the surprise package of the season in Major League Baseball – the leaked naked pictures of Detroit Tigers pitcher Justin Verlander aside – are the Washington Nationals, who currently boss the mighty Atlanta Braves in the East despite finishing a full twenty wins adrift of them last campaign. Across in the National

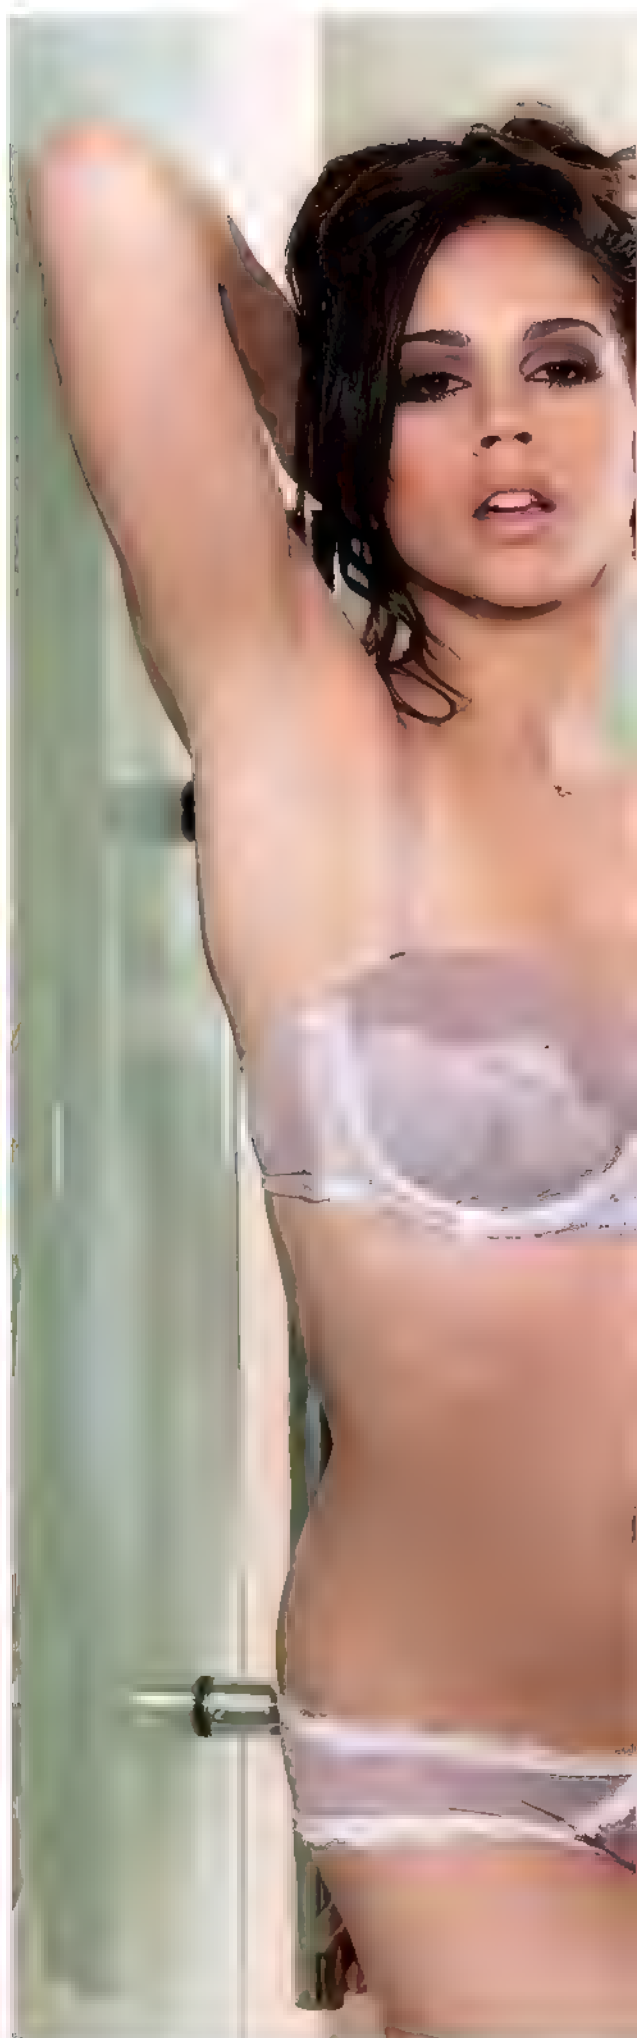

World Series in the 2013 playoffs at the hands of eventual runners-up the St Louis Cardinals, again look handy with the San Francisco Giants nipping at their heels.

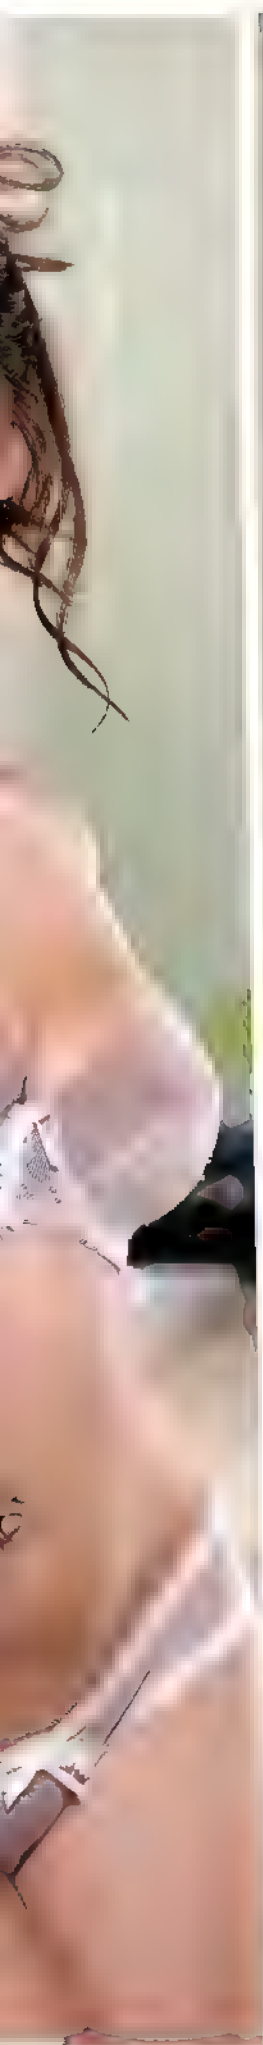

In less successful news, the Boston Red Sox – reigning World Series champions – have pretty much gone from 'first to worst', propping up the American League East and boasting the dubious accolade of being the second crappiest team to defend the title. But at least they've got a title to defend, right? Something that players of the Nationals, Dodgers and Angels would no doubt give their right ballpens to be able to do next season... ♠

First broadcast in 1975, and based on Peter Dickinson's novels, *The Changes* was long overdue for a DVD release. It's an apocalyptic vision of the UK after people rebel against technology. Creepy, eerie, intelligent, it also has an enlightened view of multi-culturalism, which you couldn't say about *Mind Your Language*. **A+**

John McDonagh's second collaboration with Brendan Gleeson isn't quite as successful as *The Guard*, but is still one of the films of the year. Gleeson plays a good priest, but one threatened with death for the sins of the church. Gleeson and Kelly Reilly excel in a moving tragedy. **A+**

The Amazing Spider-Man 2

(Sony Pictures, DVD £9.99 Blu-ray £13)

This sequel to the recent Spidey reboot does a lot of things right. Andrew Garfield and Emma Stone make a realistic couple (they are one, after all), and Peter Parker's orphan issues are dealt with superbly. It's when the action starts that it falls apart... it's all stunts and wisecracks after that, and we've seen it all before. There's a cracker of a film here somewhere. **A-**

(Network, Blu-ray £11.13)

Powell and Pressburger's classic story of chaste nuns getting a bit horny in the Himalayas isn't without its imperfections, the slow, smoldering story being the main one. But my, what a film it is to look at, with Jack Cardiff's cinematography bagging one of its Oscars. P & P didn't leave London to make the film, but they

did make it great, with lovely extra features.

The Blade Itself is the first of three books in the First Law trilogy by Joe Abercrombie. It's a gritty, dark, and bloody fantasy novel that's a real gem. Not everyone is checking out whether anyone has 'liked' the racist UKIP diatribe they've just posted on Facebook – stacks of people are gaming. The touch controls on iPhones aren't the best for some games, however, which is why the Junglecat and similar gadgets exist. You slot your phone into it and it turns it into a portable controller. So far so good, and it does make some games easier, but we found some triggers a bit sticky, and at £80 that's not on.

Pros: Works well on certain games.

Cons: Build quality doesn't match the cost.

LG G Watch

www.lg.com

How smart do you want a watch to be? For us, we just want the time, date and, if we're pushing it, an alarm that plays *The Yellow Rose of Texas*. Smart watches like this one are handy for certain things, like telling you how far you've run and so on, but we can usually guess that from, you know, intelligence. And how fucked we feel. The best things about this effort are the processor, its looks and the fact that it's water and dust-proof. But for £159 we want some more bells and whistles from Android.

Pros: Looks nice, voice commands.

Cons: Unable to read text messages.

Beats Pill XL

beatsbydre.com

Cynical as we are about the overpriced underperforming Beats By Dre headphones, we love this portable speaker. Like the headphones, it has wicked bass, but it also has treble too, and good volume, making it great for the bedroom, the BBQ, the garden, the picnic and roadtrips if your car isn't crap.

Battery life is around 15 hours, which makes up for the lack of micro USB charging, but at this size, this is a great compact speaker.

Pros: Size, looks, sound.

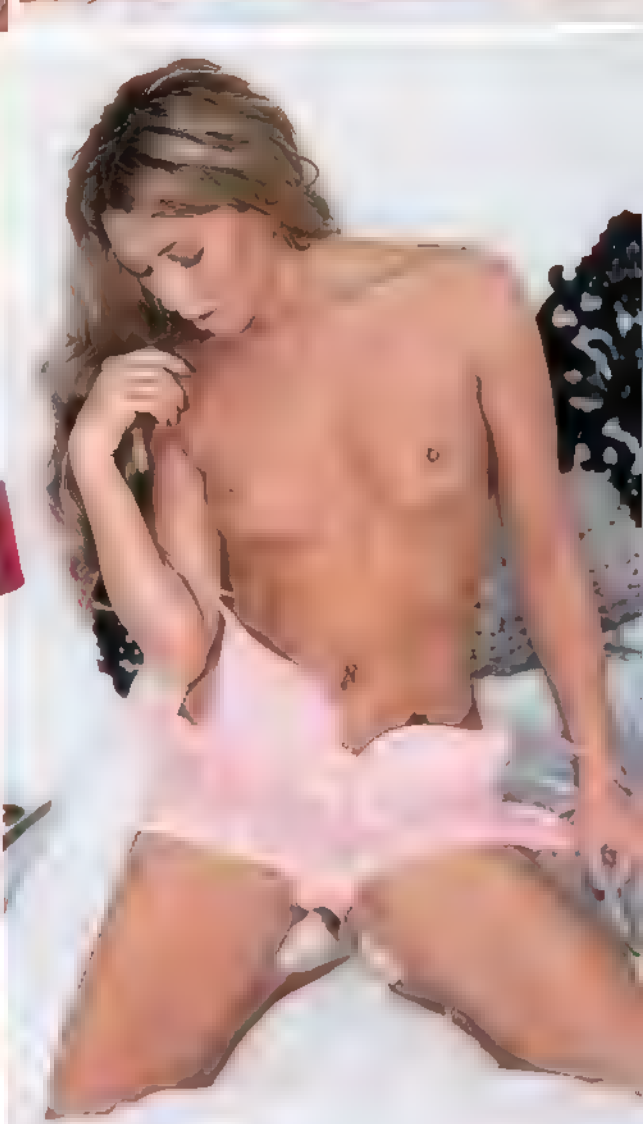

Cons: Not cheap, mid-range is a little bit whiffy. ☹

(Wicked Pictures)

Samantha Saint is a lifestyle columnist who finds out her bloke is cheating on her and starts dating and chronicling it in her column. Point one: Who would cheat on Samantha Saint? Point two: We don't ever want

to read that bullshit column. That aside, this is well worth a waggle, mostly because the female cast is A-list all the way. Saint aside, there's Maddy O'Reilly, Romi Rain and Carter Cruise joining the action, and while the acting is functional at best, the sex is mighty fine. ★★★

Champagne Showers

(Digital Playground)

This might sound like a wee-wee film, but nothing could be further from the truth. It's actually a high gloss feature featuring Jessa Rhodes, who is a proper model-class stunner. It's a joy watching her suck dick and balls, and she does that in the finest two scenes here. Not that the rest is too shabby, with Kirsten Price, Breanne Benson, Alektra Blue, Layla Sin and Nikita Von James ensuring the action stays high voltage. ★★★

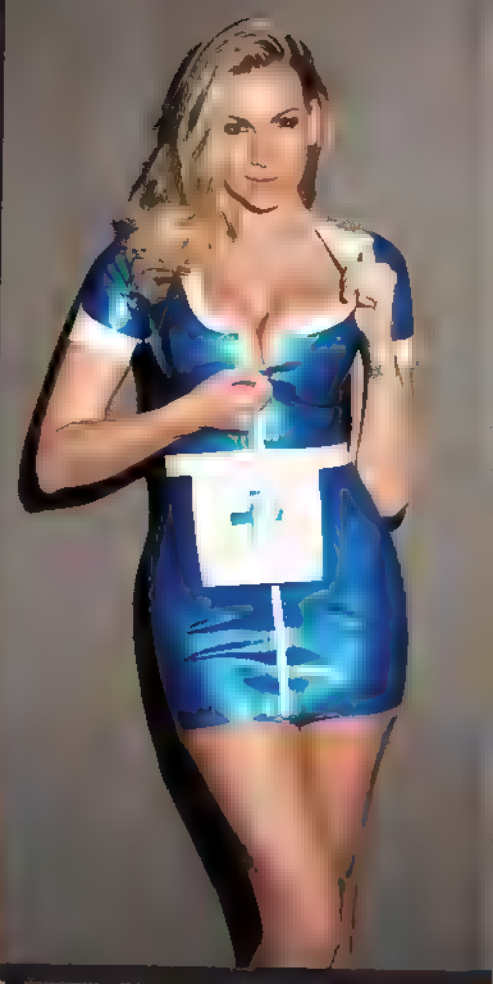

My Stepmother Is a Vamp!

(Private)

While we're content to stroke our gherkin to gonzo and vignette films, this month has been all about quality features, and it's nice to see Private getting back to that side of things. It has been a while. It can't compete for cast, but the sex is that bit nastier than the American efforts, and we can watch Ferrera Gomez all day long. She's in the standout scene, taking back two fat cocks, but the film as a whole is a welcome return to form for a classic studio. ★★★

Dani Dares

Dear Dani,

I'm delighted that you've been chosen to be *Club*'s new girl. I've been reading the magazine since the days of Ginny and Lucy and, while I loved Sasha, I was ready for a regular dose of a blonde babe like you. My favourite fantasy would obviously be to do some photos with you myself, but as I don't think that's going to happen, I'd like to see you dressed up as a nurse. It's been a huge fantasy of mine ever since I saw *The Singing Detective*!

Ashley, Sussex

I'm not sure what *The Singing Detective* is, Ashley, but as you can see I love dressing as a nurse. Of course, dressing up is one thing, having a patient is another thing entirely. If I had you as a patient, I'd pull the curtains round to give us some privacy and give you the best bed bath ever. Obviously it would turn into a handjob, and I'd finish you off all over my tits before buttoning up my uniform and going back on my rounds, your sweet cum glistening on my boobs all day! ♣

Dear Dani,

I'm happy for you to dress how you like in *Club* – I'll be pulling my pud regardless as I'm one of your biggest fans. But can I be cheeky and ask you a couple of questions? Do you like giving blowjobs, and do you plan to make any porn films?
Duncan, Fife

Well, Duncan, you can ask me whatever you like. I love giving blowjobs, no matter what size the dick. I like to give really sloppy ones with lots of spit. They say there's no such thing as a bad blowjob, but I think that's bullshit, so I always try to give a great one. And as for the jizz, it's entirely up to the bloke where he wants to lose it, but my favourite thing is to catch it on my tongue, roll it around my mouth then swallow. As for porn films – no, no plans, although I do make some personal ones you can buy on the internet if you know where to look! ♣

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

Sarah Silverman is not only a genuinely hilarious woman – her sitcom was great, her stand-up specials even better – but she's a babe as well. A foul-mouthed, sassy, big-boobed hottie. She didn't show us what was under her clothes until the 2011 film *Take This Waltz*, where she went starkers in a shower scene. And she's waited three years to follow that up. But boy, was it worth it. It's only top twats, but the reliably sexy *Masters of Sex* sees her flashing her funbags after a lesbian tryst. It's a shame she's not getting it on with the show's sexy female lead Lizzy Caplan, but then again she is in the massive wank fantasy we're currently working on... ♣

ON YOUR BIKE!

I hope you don't think I'm too weird to print my letter, but I wanted to tell you about what my boyfriend and I get up to in our role-play sex games. You see, I'm totally obsessed with cycle racing – it's a bit of a fetish for me.

Luckily my boyfriend, Gordon, is more than happy to go along with my urges, now that he's got used to them. The whole thing turns me on so much that my pussy gets wet just watching the Tour de France on telly. The muscled legs pumping away, those little goggles they wear, and of course, the spray-on Lycra shorts. Mmm, I'm going to have to finger myself to a frenzy in a minute.

Anyway, about once a month, Gordon will dress up entirely in cycling gear, including the hat and everything. I'll lie on the bed naked, stroking my pussy and caressing my firm breasts, while he climbs on the exercise bike and pedals at least a couple of miles while I lie there, ogling him.

Watching his thighs in those clinging shorts straining to go faster, and the sweat soaking his little yellow vest guarantees me a minimum of two orgasms before he collapses in exhaustion beside me. Now it's his turn for some fun. I'll rub his dick through the taut black material until his huge erection is bulging in my hand, and smother his face

with my soaking wet quim.

As he struggles to catch his breath between my thighs, I'll start to suck his knob through his shorts. Flicking the rock hard tip with my tongue, I'll drag my teeth gently down his shaft as he gobbles up the cum that's now oozing from my slit.

After a few minutes work on his dick, I'll feel his groin muscles start to twitch. That's my cue to suck as hard as I can until his thick, creamy sperm squirts from his prick and leaks through the Lycra into my hungry mouth. As I do this, my hand will slide up inside his shorts and I'll smear the lovely mess all over his cock and balls, withdraw my coated fingers and lick them for dessert.

Luckily Gordon seems to enjoy my fantasy as much as me, and has even bought himself some expensive professional cycling shoes to complete the outfit. All I need now is for him to learn French!

Amanda, Chepstow

I'll start to suck his knob through his shorts, flicking the rock hard tip with my tongue"

TIE ME UP, FUCK ME DOWN!

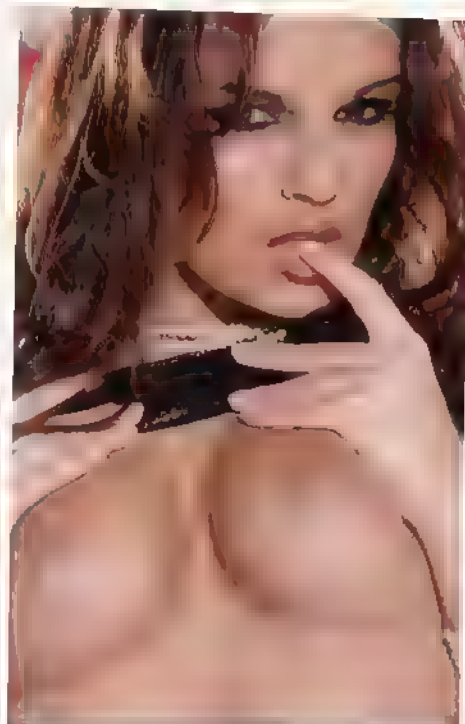

Hey there, lover boy. Need to feed your sexual imagination? I hope so, because I'm cooking for two! And guess what today's special is – bondage. Fucking right – I want you to tie me up and fuck me; restrain me and then do whatever the hell you want to me, because that's what turns me on the most. Hope you don't mind if I play with myself with this dinky shiny vibrator while I fantasise about you – I reckon it'll get me talking dirtier.

Go on, come closer, and bring those chiffon scarves. I want you to peel me out of my white cotton underwear, and tickle me with a scarf. That's it, just lightly run it over my tits. Mmm, that feels lovely. My titties may be small, but they're jam-packed full of sensation. Just the lightest touch sends shivers up to the back of my neck and down my spine again. I bet if I touch

myself down there I'll be wet. Oh yeah, it's true. Why don't you lick my finger and see for yourself?

Tastes good, doesn't it? I want to taste some, too – why don't you put your finger down there and let me lick it? That's it; stick it right up – the juices furthest in taste best. Now give me your finger to lick. Mmm, de-fucking-licious! I can see the way I swirl my tongue around your finger is making an impression on you, but you'll get yours in a moment. When I turn over I want you to tickle my bum crack with the scarf, ever so gently. Just tease me with it; go on. Oh yeah, I like that; I like that a lot. It gets me so sopping wet, there'll probably be a little damp patch underneath me when I roll over again.

Why don't you put your finger there? Dip it in my pussy and draw the wetness up to my arsehole, make it nice and moist. Fuck, yeah, that feels so naughty. I just love feeling naughty. Doesn't my arsehole feel inviting to

you? Don't you just want to bend your head down and lick it, ever so gently, with the tip of your tongue? That's the stuff, baby, now probe a little, open me up with your tongue. Jesus! That's so good it's got to be illegal! Now I really fucking want it – bring that cock here!

That's such a nice-looking knob you've got there – all swollen and succulent. How would it feel if I were to plant a little kiss on the top, right here? You like that? How about a little tongue working over your Jap's eye? That good? I bet it is. I want this cock down my throat, and here's how we're going to do it. I want you to tie my arms up, one to each of the bed posts, kneel over my chest and fuck my mouth. That's it, tie them nice and tight, but not so tight that it cuts off my circulation. A few pillows under my head should get me to the right height. That's it – now I'm all yours. That fat, meaty cock of yours is pointing straight at me – I can't wait to engulf all of its length.

I've always loved the feel of a cock as it slides into my mouth, inch by inch. My lips are stretched wide to accommodate your girth as you go in. So you want deep throat,

That's it, in and out, fuck my face. I want to feel your jizz-filled balls slapping against my chin"

huh? That's fine with me – I take it as a personal challenge to fit as much cock in as possible. There are few things finer than feeling a meaty cock throb in your throat. That's it, in and out, fuck my face, I want to feel your jizz-filled balls slapping against my chin. You're speeding up now, really packing it in. I so badly need to touch myself but I can't – I guess I'll just have to wait for you to do it later. The headboard's banging against the wall like crazy, but I don't care, it just adds to the sleazy atmosphere.

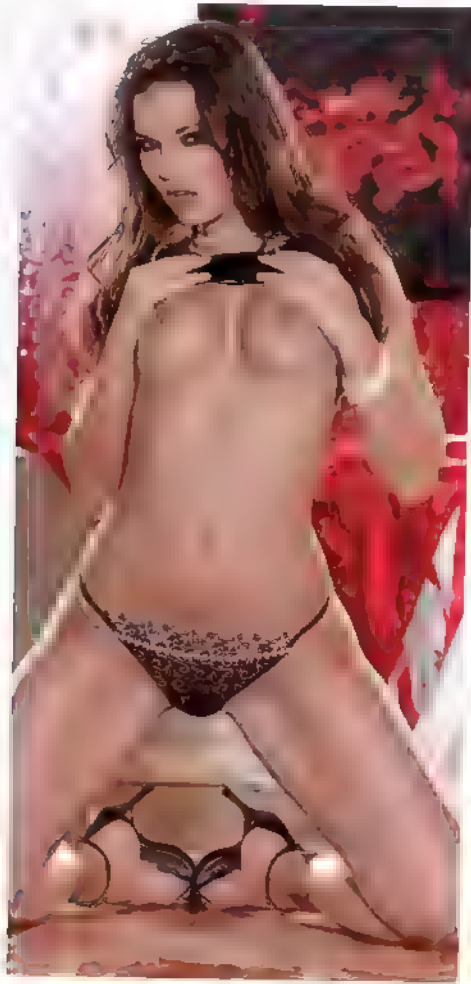

Are you going to cum in my mouth so I can taste your hot spunk – maybe have it overflow so I get to feel it trickle down into my stomach? Or maybe you'll jizz on my tits, warm splats on my nipples – that's so filthy, I've always liked that. Oh, don't slow down – can you hear my hungry cunt calling you, just begging to be filled? You can! Then fuck me, please fuck me! I want my tight cunt to be stretched around your man-meat, with my legs around your back helping you hammer into me. With my arms tied up you can go as hard and as fast as you like – the harder the better!

That's it – slip a finger into my cunt to make sure I'm ready. It doesn't get much wetter than this, baby – dive on in. Mmm, now you're sliding your hands from my shackled wrists, down my arms, and squeezing my little tittles; pinching the nipples so they stand up nice and erect. My hip-bones are your

next target – you grip them firmly to brace me for your entrance.

After casting a glance over my restrained form, you thrust in. I can feel the rim of your helmet as it pushes into my tight little snatch. I squeeze you, making it as difficult as possible to get that bulbous helmet all the way in. That makes it all the more satisfying when, with a grunt, you slam into me entirely. It feels heavenly to be stimulated by such thick, hard cock. That blowjob has got me at the point of orgasm already. Slam into me, go on – I want to hear the hard slap of flesh against flesh.

You're in a steady rhythm now, big strokes; all the way in and all the way out again. I feel your hand move from my hip and start creeping towards my bum crack. Your finger slides down the greased cleft between my buttocks, towards my dark centre of pleasure. Gently, you rub around my arsehole, teasing me, and all the time your tool's pumping in and out. You leave your finger still and let the pumping action push me onto your finger, millimetre by millimetre. Fuck, that's good. The first fraction of your finger that goes in causes my whole body to tense up and I clamp, vise-like, around your dick. The more finger you put in, the wilder I'm getting, until I'm pushing my bum back down on your finger, wanting to feel it all inside me. Ah, top knuckle job, lover! As the entirety of your finger slips in, I feel so goddamn filthy. I can't

“Your throbbing dick sends out jet after jet of hot spunk into my eager pussy. I’m getting ready to cum too”

contain myself, and I bite down on your shoulder.

I can feel your urgency building. Your breathing’s heavy and ragged, as is mine. Your cock feels like iron inside me, and I know that you’re going to cum soon, so I squeeze my cunt-muscles to help you along. They grip your dick like tiny hands, wanting to milk as much spunk out of you as possible.

You oblige; your throbbing dick sends out jet after jet of hot spunk into my eager pussy. I ram myself back onto your finger – I’m getting ready to climax, too. You see, the feel of a man shooting inside me is the most intensely erotic sensation – it’s guaranteed to get me off, too. My sopping pussy and

arsehole contract around your cock and finger and I strain against my bonds in my ecstatic writhings. Mmm, that’s sooo fucking good, my whole body’s shaking all over from the sheer force of my orgasm.

Bloody hell – that was huge! It’s going to take me a while to recover from that one – but I’ll be wanking over it for months! We’ll have to do it again, and soon, loverboy!

Natalie, Milton Keynes

A FEEL FOR FETISH!

I used to think fetish clubs were just places full of lonely guys looking for pervy thrills. After my experience last Saturday, I now know different.

A couple of my friends at work had invited me to this monthly club night called ‘The Hedonist’s Picnic’ on the outskirts of town. They said it was the weirdest and sexiest evening out they’d ever had.

One had to dress to excess, and as I didn’t have anything at all outlandish in my wardrobe, being a fairly conventional girl, my mates provided my clothes. I must admit the

black patent leather thigh-length boots, fishnet stockings, rubber skirt, lace-up basque and long red wig made me feel really horny. The thought of how the cab driver would react if he saw what I was wearing under my coat made me feel like a right dirty slut.

The interior of the club was dark except for a huge screen on one wall. It showed a girl in rubber with a massive strap-on dildo-fucking another girl in the arse. I was shocked at first, but excited at the same time. As I looked around at my fellow clubbers, dressed in rubber, leather and some in hardly anything at all, I got more and more turned on.

After a few drinks and a while getting used to dancing in my high heels, I started to get into the rudeness that was surrounding me. A guy in leather trousers was licking up the boots of a group of girls. I joined them and shivered with excitement as he licked my boot, then my fishnet-covered thigh, before suddenly burying his face into my crotch beneath my rubber skirt.

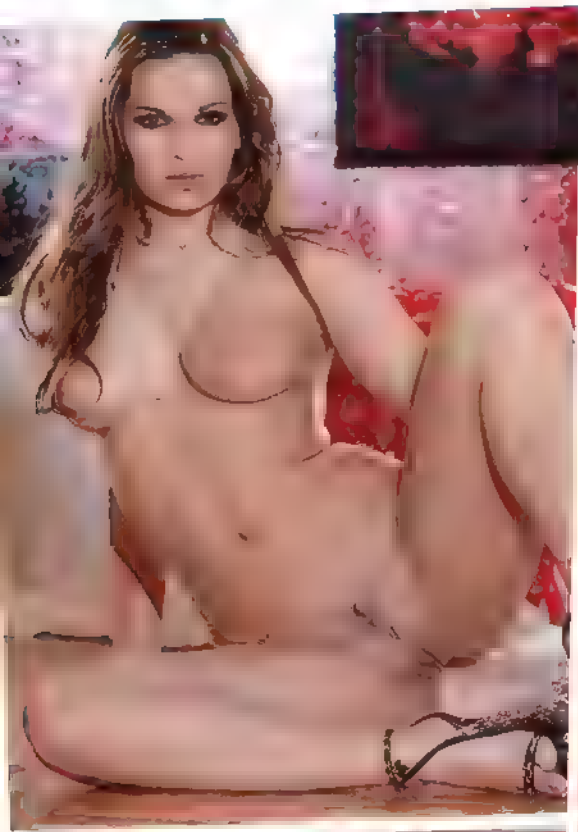

A girl clasped my tits from behind and manipulated my nipples through my basque as a crowd gathered to watch me getting sucked. His tongue was deep inside my gash, but I didn’t pull away as all the attention was making the juices pour out of me into his mouth. I came straight away, propped against the girl groping my breasts.

I felt so filthy climaxing in public that I didn’t bat an eyelid when a meaty cock was thrust into each hand and another was rubbed against my rubber-clad arse.

I even spent some time in the ‘Feely Bin’. That’s where men and women push their hands through holes in a cabinet in order to feel and grope somebody. Fingers probed my cunt and arse and hands mauled my tits as I lost count of my orgasms.

The club is now a regular haunt of mine and my wardrobe is full of sexy gear that would make a whore blush. I’ve made loads of new liberated friends and my life has taken on a whole new level of meaning.

There's women you want to take home to meet your mum and others you just want to throw down and fuck the arse off!

It's the same with texting... who needs flirting when you can get straight down to it...telling her exactly what you want to do to hear then hearing back from her that she's sitting with a moist pussy that's ready for your aching cock!

Don't waste any more time, text her now...

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

BIG IS BEST!

Until relatively recently, I had always dated slender-looking birds with B cup bras and very little beef on their rumps. They were cool to be seen with, and some of them were even very sweet girls to be with, but few of them did it for me properly in the trouser-snake department. It was more about arm jewellery than anything else. A couple of them were aspiring fashion models; tall, willowy girls with smaller tits than me, and I was getting bored of taking girls out for a meal, and watching them pick at their bloody salads.

I'm a second year engineering student and, as my parents are both fairly well to do, I enjoy the luxury of having a flat to myself. Since coming to university I have become independent, and have matured quite a lot. I now no longer feel the need to run with the crowd.

Since I first sank my rod between two softly rounded thighs into a warm fleshy mound, I've been totally smitten by larger ladies. I'm continually on the lookout for ladies with big bouncing bristols, neat waists and generously rounded hips. I'm not into the absolute 'chubby chaser' thing, but if I'm out on the pull and a model-type girl has a curvier mate, then that's who I'll go after.

The first really enjoyable fuck that I had was with a fellow student called Catherine. She fitted every mental picture that I had ever envisaged of my ideal woman. Catherine had long, dark hair framing an attractive face, deep blue eyes, full lips, and a voluptuous body that would not look out of place in a pre-Raphaelite painting.

She first caught my eye when she arrived late for a lecture. Her face was flushed. Her clothing was too restrictive for such exertion, and her big breasts seemed to be ready to

pop out of the top of her tight, low cut blouse. I guided her to the seat next to mine and after the lecture I chatted her up until she consented to a date.

Catherine proved as sexual as she was desirable. After a pizza and a couple of glasses of wine (I already liked her when she turned her nose up at the salad bar!), she agreed to come back to the flat. The moment we were inside the door I pulled her close to me. Placing a hand on each of her glorious buttock cheeks I squeezed them hard, pulling her tightly against my bulging crotch. She wriggled against me, further igniting my ardour.

Lowering my face to her magnificent cleavage, I kissed the exposed flesh of each soft pillow of breast flesh, before standing back and opening the front of her blouse. Peeling it back over her shoulders, I pulled it halfway down her arms – temporarily pinning them to her sides.

I manoeuvred her onto the couch while I stripped. She was wriggling sensuously; her efforts making her big breasts wobble and heave. Her short skirt had become hitched

up around her waist and she was rubbing one softly rounded thigh against the other. The nylon fabric of her hold-up stockings rubbing against one seeming to cause her pleasurable sensations because she began moaning softly as if attempting to bring herself to climax.

I knelt between her feet and gently parted her knees. Stroking the soft, white satiny skin above the tops of her hold-ups, I lowered my face and nuzzled my way between them until I came to the juice-stained gusset of her panties.

She was hot and wet, and so ready for fucking that I almost came there and then as a powerful whiff of her pheromones assailed my senses. Here was the sexiest bird I had ever touched, literally dripping in readiness for my prick, and I was going to make bloody sure that I satisfied her so she'd come back for a whole lot more of the same.

Sucking her pussy through her panties, I worked on her crotch until her buttocks were bouncing up and down on the sofa in her effort to cum off. I unsnapped the fastening on her bra and the weight of her bosom

pulled it forward, allowing her knockers to swing free.

She had an enchantingly sensual body, and I could not even contemplate taking her for the first time on the sofa or the carpet. So I escorted her through to the bedroom and, positioning her on her back with her legs wide apart, I removed her panties. Her body was now naked and displayed.

I wanted to do her in every hole, and with a sense of urgency I set to it... with a great deal less delicacy than I had intended. Climbing between her thighs, I forced my helmet inside her pussy lips. She was well ready to rock and

roll, and tried to push me further in but I made her wait until I had a fistful of tit in each hand. Using my elbows for leverage, I plunged my cock further inside her oozing cunt, while her body bucked in under me. Catherine wanted to be fucked and she wanted it hard, so I obliged!

Digging my fingertips into her breast meat with each downward thrust I mauled her big fun bags until she screamed out as the first orgasm ripped through her. Her strong pussy muscles snatched at and contracted around my pole, causing thrilling sensations to pulse through it. I was hot and sweaty and ready to shoot, but my instinct told me that if I was selfish, and did not completely satisfy this beautiful girl, I might not get a second helping.

Holding back, I slowed the pace and waited her out, allowing her agitation to subside before continuing to pump her. She began clawing my back as I increased the pace; this time I wanted her to feel the full ferocity of my cock inside her.

Reaching back, I took an ankle in each hand and, bending her knees slightly, I pulled her

legs up towards her shoulders. This raised her arse slightly off the bed and, telling her to hold her ankles in position, I placed a pillow in under her buttocks. Taking hold of her ankles once again, I forced them even further back until they were almost on a level with her face. In this position I was able to achieve really deep penetration, and she moaned as I buried my cock deep inside her smouldering box.

Lunging forward, I plunged my weapon ever deeper inside her until the tip of my helmet hit off the entrance of her womb. She was almost crazed now, her pussy contracting and squelching maniacally. I rammed her hard, as multiple orgasms ripped through her, causing her to scream and flail around beneath me.

She was sobbing for breath and still squirting from her gash when I pulled my cock out of her. It had been a huge effort to contain my excitement and I was feeling tired from the athletic bombardment of her gaping slot. It was now her turn to entertain me.

While I sat propped up by pillows and sparked up a cigarette, Catherine set to work gently sucking my knob. I asked her to take it easy, as I intended to prolong our pleasure. It was an intimate moment – unlike the frenzied fucking that had gone before. Now that the urgency was over I was determined to take time to explore her soft curves and wet places at my leisure.

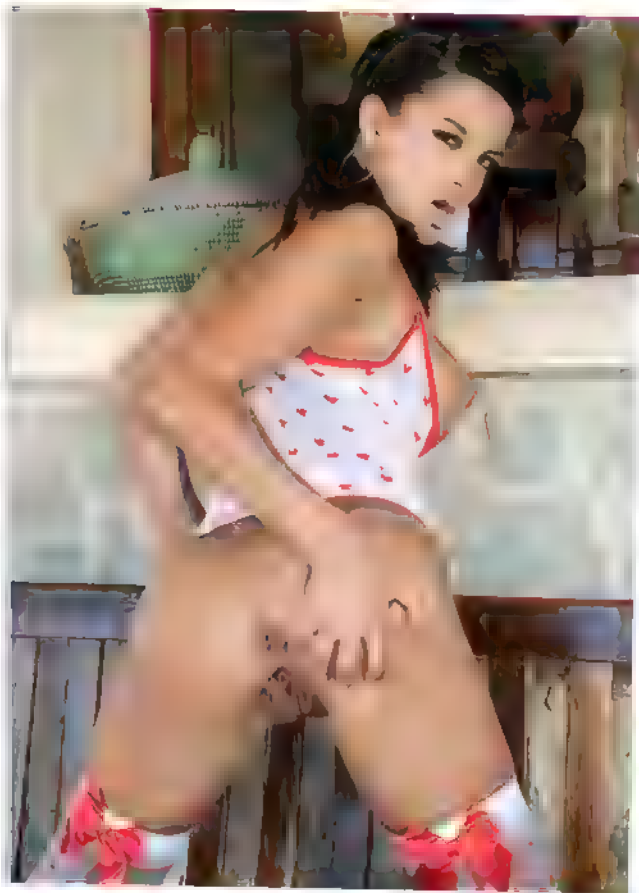

As her tongue lapped at the purple crown of my cockhead, I inhaled deeply and allowed her to pleasure me. It was probably the best smoke of my life and, as I felt her soft wet tongue work its way up and down the length of my shaft, I felt a shiver of delight shoot through my balls as they tightened and

hardened.

At length, feeling revived and ready once again for action, I turned her onto her hands and knees and moving in behind her, began to caress the full cheeks of her arse. They were soft and smooth and extremely enticing, and I ran my cock across them, leaving a shiny trail of pre-cum across their surface. Catherine was squirming with anticipation, her pussy lips opening and contracting slightly in expectation. When I asked her if she had ever had a cock inside her arse before, she wriggled and stuttered that she had "once or twice".

Clearly she was used to being fucked every which way, and was happy to allow me to use her as I wished. Parting her bum cheeks

hand I pushed my digit inside her tight, little anus and twisted it slowly around.

As I massaged the inside of her rectal cavity she relaxed and pushed back on my finger. After gently moving it around I removed it and taking the ever-ready tube of K-Y jelly from my bedside table, I lubed both her anus and my cock. Pressing my helmet against her anal opening, I reached underneath and plunged three fingers into her pussy and began to frig her.

Soon she was rocking back and forth rhythmically on my fingers. As she began to contract her pussy muscles, I pressed my rod harder against her anus and, stretching her sphincter, felt it give way and my cock slide inside. Sawing my dick in and out of her

tight hole was amazing, and I enjoyed every second of our first anal fuck.

Catherine warmed up and became enthusiastic, cocking her rump high in the air to meet my forward thrusts. Her tight ring gave me tremendous blasts of pleasure, and very soon I was on the verge of climax. Withdrawing my todger, I moved around to her mouth. Without hesitation she opened wide and greedily sucked on my member. I could hold back no longer and spurted great globs of my cream inside her mouth, watching it spill and dribble out of the corners and spot her softly rounded breasts.

Would I go back to a skinny girl? With Catherine around, you must be kidding!

wide, I began to tongue her arse cleft. She was still on the boil when I dipped my tongue inside her slit and began to lap at her labia. I licked upward towards her crimped little anus and, on reaching it, I circled the circumference, rimming her pale pink rosette.

Catherine contracted her bum cheeks, tightening the entrance to her rectum, as if to warn me off. But I was determined to have her bumhole, and to that end I continued lapping around her ring while reaching forward to play with her clitoris. Thumbing, tweaking and flicking it, I brought her to orgasm as I fingered her dripping slot with my other hand.

With my fingers now coated with her essence, I began to finger her sphincter and clit simultaneously. Prodding her ring with a finger tip as she came close to her second climax, I waited for it to peak, and as she writhed around on my

HOLLY RANDALL

PRIYA ♣

Fancy and more

When you're the top porn star from the most populous nation on earth, you deserve to let off steam. After all, you've earned it. Indian star Priya lives in America now, and she's become a car fanatic as a result.

"Great roads, great cars, wide open spaces, I love this country," Priya enthuses. "But for me a car is a carnal thing. The feel of the engine beneath me is a constant turn-on. Getting lost in a car with a man or a woman in the backroads of America is a whole adventure. Especially when we end up in a cheap motel room having wild sex before setting off again in the morning. Of course, I need a car with a big enough backseat for the two of us..." ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

Napalm Nappy!

There was more in one toddler's nappy bag than baby wipes and talcum powder. A 17-month-old girl was seen strutting her stuff at Beebe Plain daycare, Vermont, with a loaded handgun before the daycare owner informed the Vermont Department for Children and Families.

The Grandmother of the child had been in a hurry when leaving the house and placed the handgun in the child's diaper bag, forgetting to remove it before dropping her granddaughter off. We always make sure we're packing heat when we go to daycare...

Like a baby's bum, it's always lucky when it doesn't go off.

Police Academy!

Surely, on the first day of police training, they inform the up-and-coming arms of the law that prostitution isn't legal? Well, this guy clearly wasn't listening. Vahak Mardikian, 48, of the Glendale Police Department, was arrested and detained for attempting to procure sexual services from a undercover cop posing as a prostitute at the Flamingo Casino. Mardikian had made plans to solicit anal sex in exchange for \$250 and gas money. Looks like they got this fella bang to rights.

Dough!

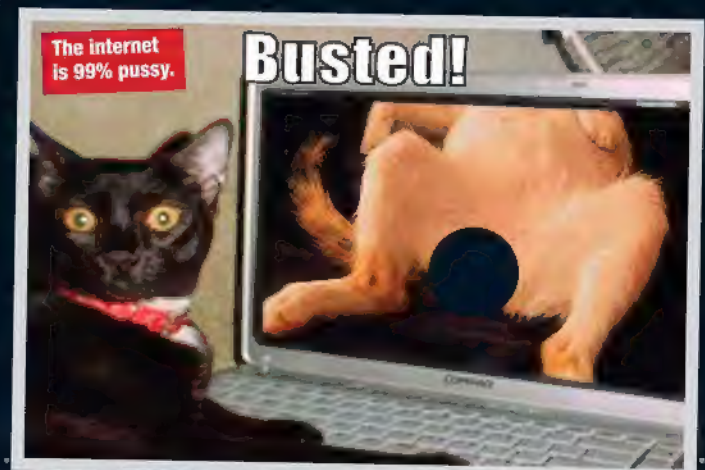

Too many clichés sprung to mind when we heard this in the office. A local anti-crime event hosted by police turned into a gem of an evening for them but not such a good night for Bradley Hardison, 24, of Elizabeth Town. Hardison downed eight doughnuts in two minutes, beating two police officers and winning the eating competition, but it wasn't heartburn that ruined his night. The local Sheriff's Lieutenant Max Robeson recognized Hardison, who had been wanted in connection with a spate of robberies for over nine months. Robeson rather sportingly congratulated Hardison on his win before arresting him.

The Cheeks Of It!

Do you remember the glow in your cheeks after your mum found your stash of porno mags under your mattress or in your wardrobe? Well, take a few seconds to feel sorry for this poor lad whose mum went the extra mile and called the police.

A mother in South Carolina dialed 911 after her 2-year-old turned on their T.V, which was tuned to a porn channel at the time. The mother states that her 15-year-old son was upstairs in his bedroom when the rest of the family came home and she also "requested a report be done to document... her son's behaviour". Like us the police were puzzled and no charges were brought. ♣
